Ordinances and Other

A. Discussion and Approval of Ordinance 2018-05 Amending the City's Noise Ordinance (Section 28-81 of the City Code) - First Reading

Ms. Moody stated that the City has received numerous complaints regarding loud music being played at night. Currently the beginning time of the focus period indicated in the City's Noise Ordinance is 11pm. Staff researched the surrounding municipalities' noise ordinances and the focus times of their Ordinances. West Columbia is 9:00 p.m. – 7:00 a.m., the Town of Lexington is 9:00 p.m. – 7:00 a.m. and Columbia is 10:00 p.m. – 7:00 a.m. She stated that staff feels that it is the best interest of the City and its residents to alter the beginning time of the focus period indicated in the City's Noise Ordinance from 11:00 p.m. to 10:00 p.m.

Council Member Jenkins asked how Public Safety staff measures noise to indicate that it is unreasonable and violating the City's Noise Ordinance. Chief Snellgrove stated that the City currently does not have an instrument to measure decibels. He stated that the violations are complaint driven. Ms. Moody stated that the Ordinance states that an unreasonably loud, excessive or disturbing noise is defined as any sound regulated by the Ordinance, which is plainly audible at a distance of 50 feet from its source. Council Member Jenkins thanked her for the clarification.

Council Member Almond made a motion to approve Ordinance 2018-05 on First Reading. Council Member Corley seconded the motion which was unanimously approved by roll call vote.

B. Discussion and Approval of School Resource Officer Agreement and Memorandum of Understanding

Ms. Moody stated that currently the Cayce Department of Public Safety has three School Resource Officers (SRO's) in two middle schools and one elementary school within its jurisdiction. At this time Public Safety does not have officers in the two high schools. She stated that starting in school year 2018 – 2019, the Lexington County Sheriff's Department will no longer provide deputies to serve as SRO's in the high schools located within Cayce city limits. Lexington School District Two has requested that Cayce Department of Public Safety provide Public Safety Officers to serve as the SRO's beginning next school year. She stated that the School District has requested an agreement with the City that provides five SRO's and the District would be responsible for a cost share of 75% of salary, benefits, equipment, and vehicles. These five officers would be located in the following schools: Brookland Cayce High School, Airport High School, Cayce Elementary, Busbee Middle and Fulmer Middle.

Council Member Jenkins asked if a School Resource Officer position is a full time position. Ms. Moody stated that it is a full time position. The SRO's are utilized for additional duties in the summer and they have the option to work special events. Council Member Carter asked if there was an unwritten agreement stating that certain prosecutors would have to recuse themselves from prosecuting students from a certain high school. Mr. Crowe stated that the School District requested that one of the City's prosecutors not prosecute their cases. Council Member Carter asked if the City was setting a bad example by letting the School District handpick their prosecutors. Mr. Crowe stated that it seemed to be a simple and straight forward request. Council Member Carter stated that he was not comfortable with the request. Council Member Almond stated that she did not know anything about the issue that Council Member Carter was concerned about. She asked if it needed to be tabled and discussed in Executive Session. Council Member Carter stated that he was told that the School District contacted Mr. Crowe and requested that a certain City prosecutor recuse himself from any cases involving Brookland Cayce High School. Mr. Crowe stated that they did not ask that the prosecutor recuse himself. The School District asked that the prosecutor not be assigned to any cases involving Brookland Cayce High School. Council Member Carter asked if Mr. Crowe or Judge Henderson assigns cases to the prosecutors. Mr. Crowe stated that the City currently has two prosecutors and they decide when they will work depending on their schedule. He stated that the City prosecutors are hired by Council and by Ordinance the City Attorney is their supervisor.

Council Member Carter asked if the City prosecutors are included in the Ordinance that allows Council to waive the informal and formal bid procedures when it is to the advantage of the City to acquire goods and/or services on the basis of a previously awarded bid or contract, and for professional services when the person employed is customarily employed on a fee basis rather than by competitive bidding. Mr. Crowe stated that when there is an opening for a City prosecutor the opening is advertised and open to any applicants. The candidates are screened and then gualified

candidates appear before Council to be interviewed. He stated that the prosecutors do not have contracts with the City and are viewed as any other at will employee. He stated that in this case he has not been asked to not prosecute certain cases. He has only been asked to assign another prosecutor to cases involving Brookland Cayce High School.

Council Member Jenkins expressed concern regarding approving the School Resource Agreement if this issue was taking place. Mayor Partin stated that the issue did not have anything to do with the agreement before Council. Council Member Carter apologized for bringing the issue up and stated that Council could discuss it at a future Council Meeting in Executive Session when the issue is on the agenda.

Council Member Corley made a motion to authorize the City Manager to sign a contract with Lexington School District Two to provide two additional School Resource Officers. One in Airport High school and one in Brookland Cayce High school for a total of five SROs with a 75/25% cost share. Council Member Almond seconded the motion which was unanimously approved by roll call vote.

C. Discussion of Proposed FY2018/2019 Utility Fund and General Fund Budget

Ms. Moody stated that Utility Fund Revenues are projected at \$15,700,164 and includes:

- \$15,122,220 transfer from the Gross Revenue Fund.
- \$438,750 in grants.

She stated that the Utility Fund Expenditures are projected at \$15,295,517. This budget currently includes:

- Increased revenues from the Town of Lexington for the Carolina Water Service's Plant
- Capital Expenditures totaling \$907,848.
- One new position: Administrative Assistant for Septage and Grease.
- 15% debt coverage for the City's utility fund debt.
- \$1,800,000 transfer to General Fund for Indirect Costs.
- New health insurance coverage costs as result of the City joining PEBA. Costs include the City's required employer contribution plus the employee's individual contribution.

Ms. Moody stated that the Utility Budget does not include:

- Any COLA raises for the Utility employees (a 2% COLA would increase the budget by \$90,752).
- A 1.5% rate increase as required by the terms of the SRF Loan. Once the budget has been balanced, staff will need to send it to the Auditor to perform a rate analysis to determine if a rate increase is still needed.

Ms. Moody stated that any City vehicle with over a 100,000 miles was recommended to be replaced in the proposed Utility Fund budget. Council Member Jenkins stated that in the past he has asked to see the maintenance records for all vehicles with over 100,000 miles that are proposed to be replaced. He stated that vehicles can run fine with well over 100,000 miles. Ms. Moody stated that staff would have that information for Council at the next Council Meeting.

Ms. Moody stated that General Fund Revenues are projected at \$13,206,832 and includes:

- \$800,000 in Hospitality Tax Revenue.
- \$1,800,000 transfer from the Utility Fund for Indirect Costs.

Ms. Moody stated that the General Fund Expenditures are projected at \$13,646,433. This budget currently includes:

- \$565,457 in Capital Expenditures.
- Funding for 10 new employees, including:
- Three firefighters to continue the four-year plan to add 12 firefighters in four years. Only six firefighters have been hired as part of this plan.
- Three new Public Safety Officers (two of which are SROs for the High Schools in the City with 75% cost share from the School District)
- One new Public Safety Lieutenant for expanding the Community Outreach Unit.
- One Public Safety IT Technician to apprentice under the current Public Safety IT employee that is retiring.
- One Events Manager/Communications position for the Administration Department, as discussed in the City's Strategic Planning Session.
- One IT Technician to support the IT Director with City-wide IT needs.
- Expenditures associated with the City's Recycling Program. The City was notified this spring that Sunoco will no longer recycle our comingled trash for free.
- New health insurance coverage costs as result of the City joining PEBA. Costs include the City's required employer contribution plus the employee's individual contribution.

Ms. Moody stated that the current General Fund expenditures do not include a COLA for employees. Council Member Almond asked what the amount would be for a 2% COLA for employees. Ms. Moody stated that it would be \$180,829.

Council Member Jenkins asked where the proposed new positions would be located since both Public Safety and City Hall have outgrown their buildings. Ms. Moody stated that the Fire Fighters would be housed in the Fire Department, the SRO's are based primarily in the schools and the PSO would mainly be on the road and would not need an office. She stated that IT currently has an office at Public Safety and the IT Director has a large office that would accommodate 2 people. She stated that staff is still researching where the Special Events/Public Information Officer would be located. Council Member Jenkins stated that in the past he also requested to see justifications for each new position requested and would like that information as well.

Mayor Partin asked if it was possible to bid out the recycling to another business. Mr. White stated that Sunoco was currently the only business that handles single stream recycling. Council Member Jenkins asked how many residents actually recycle. Mr. White stated that the residents with recycle roll carts instead of small bins statistically recycle more. He stated that he thinks everyone would recycle more if they had larger containers. Council Member Carter asked how many businesses other than Sunoco handle recycling. Mr. White stated that there are quite a few but they are so far away that the City would pay more in fuel costs and wear and tear on the trucks.

Council Member Carter asked how the Events Committee would be affected if the City hired an Events Manager. He asked how that position would interact and communicate with the Committee. Mayor Partin stated they would interact with the Committee the same way Ms. Corder does now. Ms. Moody stated that the Events Manager would be the staff liaison for the Committee the same way Ms. Corder and Ms. Taylor are currently. Council Member Carter asked if having the new position would usurp or take away the Committee's authority. Ms. Moody stated that the proposed new position would work with the Events Committee and handle anything that the Committee needed.

Council Member Carter asked how much involvement the Events Committee had with the Soiree on State event. Ms. Corder stated that the Soiree was created as an event where staff could unveil the City's new brand to residents. She stated that the City's Public Relations Consultant was in charge of the 2017 Soiree on State and used her own staff for the event. She stated that some of the Events Committee did voice their displeasure in not being asked to be involved in the Soiree. She stated that she invited the Events Committee to volunteer at the 2018 Soiree but only two of the members volunteered.

Council Member Carter stated that the proposed new position is also tasked with being the City's Public Information Officer and asked what that entailed. Ms. Moody stated that the position would handle communications for all the City's departments. She stated that staff had created a job description detailing all the responsibilities the position would have. She stated she would forward the job description to Council for their review.

Council Member Carter stated that he would like staff to create a line item for all the City's encumbered funds so he would know that the funds are not actually General Fund fund balance but are earmarked for specific projects or items. Mr. Huddle stated that those funds were already reserved in a cash flow account. Ms. Moody stated that she and Mr. Huddle would discuss this item in more detail. She stated that the FEMA funding that Council Member Carter referred to is approximately \$720,000 owed to the City as reimbursement for repairs made to the Riverwalk. The City used fund balance monies for the repairs and the reimbursement will go into the fund balance.

City Manager's Report

Ms. Moody stated that AOS is currently working on Knox Abbott Drive to put everything back together that was dug up during the waterline replacement project. She stated that SCE&G just started placing new power poles as part of the Knox Abbott Drive Traffic Calming and Pedestrian Safety Project. She stated that SCE&G started at the river and there will be paired poles until the power transfer is made from the current poles to the new poles. She stated that the City is receiving \$6,300 as a reimbursable grant as part of the City's expenses related to Hurricane Irma. Staff received notice that the City will be receiving a \$180,000 grant from DOT for sidewalks along Frink Street. The Public Safety Foundation was part of Midlands Gives and had received approximately \$200 at the time of the Council Meeting. Ms. Moody stated that a portion of Phase 2 of the Riverwalk was closed due to issues with the boardwalk. She stated that staff was meeting the next day at the Riverwalk to access the situation and discuss how best to repair the issue.

Council Member Corley made a motion to approve Ordinance 2018-05 on second reading. Council Member Jenkins seconded the motion which was unanimously approved by roll call vote.

B. Discussion of Proposed FY2018/2019 Utility Fund and General Fund Budget

Ms. Moody stated that the proposed Utility Fund Budget revenues are projected at \$15,700,164. Expenditures are projected at \$15,295,517, and include:

- Increased revenues from the Town of Lexington for the Carolina Water Service's Plant.
- Capital expenditures totaling \$930,848.
- One new position: Administrative Assistant for Septage and Grease.
- 15% debt coverage for the City's utility fund debt.
- \$1,800,000 transfer to General Fund for Indirect Costs.

• New health insurance coverage costs as result of City joining PEBA. Costs include the City's required employer contribution plus the employee's individual contribution.

Ms. Moody stated that currently the Utility Fund expenditures do not include a 2% COLA for employees (a 2% COLA would increase the budget by \$90,752). She stated that the City has a three year plan to increase utility rates as required by the terms of the SRF loan and FY18/19 rates are proposed to be increased by 1.5%. Potential Revenues from increased fees include:

• \$81,000 from a 1.5% water rate increase and \$113,995 from a 1.5% sewer rate increase totaling \$194,995.

Mayor Partin asked what the increase breaks out to for a typical water and sewer user's bill. Ms. Moody stated that a typical bi-monthly bill would increase by \$1.34. Council Members Almond and Jenkins stated that they were good with the slight increase to utility rates and the COLA for staff.

Ms. Moody stated that staff was able to increase the General Fund Revenues by \$12,000 in the building permits line item therefore General Fund Revenues are projected at \$13,218,832. Expenditures decreased by approximately \$20,000 and are projected at \$13,583,738. She stated that staff has reduced the capital equipment requests and also plan on purchasing some of the requested items in the current budget year.

Ms. Moody stated that current General Fund expenditures do not include a 2% COLA for employees (a 2% COLA would increase the budget by \$180,829). She stated that potential Revenues from increased fees and taxes include:

- \$82,728 additional revenue from a \$1.50 per month increase in residential sanitation fee.
- \$112,714 additional revenue from a 2.350 millage increase.

Ms. Moody stated that potential cuts to the FY19 budget include:

- Eliminate all or non-essential capital requests.
- Eliminate all personnel requests except the 2 SROs.

Mayor Partin stated one possible way to balance the General Fund Budget was to increase the sanitation fee by \$1.50 a month, increase the millage rate by one mill, eliminate all requested new personnel except the two SRO's, the three fire fighters and one PSO. She stated the purchase of the wash rack would be eliminated as well as purchasing call boxes, radios and a new vehicle for Planning and Development. Ms.

City of Cayce Minutes of 5/16/2017 Special Council Meeting Page 3

Moody stated that the City would continue to pay the employer portion and the employee portion for the health insurance.

Mayor Partin stated that if the mill value was low that it might be best to increase the millage rate by two mills. Council Member Almond stated that she agreed that was a good idea. After discussion, it was decided to put the possible two mill increase in the Public Hearing Notice with the option to only increase the millage rate by one mill.

Ms. Moody stated that there were only a few proposed changes to the City's Master Fee Schedule as part of the FY19 budget. New fees for FY19 are for zoning plan reviews for small wireless facilities and minor subdivisions, site plan reviews and site plan revisions, utility return visit work orders for non-compliant backflow test for commercial/industrial accounts and trip charges. She stated that revised fee amounts are proposed for existing fees for color copies for FOIA requests, a 1.5% increase in water and sewer rates and septic/oil and grease receiving station hauler truck cleaning fees.

Ms. Moody stated that not included in the recommended fee schedule is an increase to Residential Curbside Garbage and Recycling Pickup. The current fee is \$12 per month. Council may choose to increase this fee to \$13.50 per month to continue the plan to make the Sanitation Department self-sufficient. She stated that a required Public Hearing for the FY19 Fee Schedule will be held at the June 20 City Council Meeting at 5:00 p.m.

Cayce West Columbia Junior Chamber Recognition

Ms. Katie Moore with the Cayce West Columbia Junior Chamber (the Jaycees) contacted the City as soon as the date of the 2018 Soiree on State was announced. She stated that the Jaycees would love to host the Kid's Area during the Soiree. She was so enthusiastic and had so many great ideas that City staff immediately agreed to the generous offer. Thanks to the Jaycees the kid's area was by far the most popular spot at the Soiree this year!

They had so many fun activities for the kids. There was a scavenger hunt, rock painting, free tennis lessons, a Giant Connect 4, Corn hole, Jenga, giant checkers, a bucket toss, hula hoops and jump ropes. The Jaycees also hosted games of kickball and Gaga ball which all the kids loved.

The Cayce West Columbia Junior Chamber member's generous commitment of their time and the efforts they made to ensure that the kid's area was a huge success is so appreciated! Thank you for all you do to make our community a great place to live and play!

In October 2017, Officer West was presented with the Law Enforcement Officer of the Month award by the Greater Cayce-West Columbia Chamber of Commerce. Also, as the Resource Officer for the newly built Cayce Elementary, he was awarded the prestigious honor of School Resource/Community Services Officer of the Year by Cayce Public Safety.

Officer West was a recipient of the Cayce S.O.A.R. award (which recognizes staff members who go above and beyond) for his continuing dedication to students, staff, and their families. To foster the relationship between police officers and community members, Officer West pioneered the Cayce Ballers, a weekly basketball game including himself, school faculty and staff, and parents, allowing them to view law enforcement officers in a positive light.

Officer West is extremely involved in helping to make his community a safer environment for all by working closely with the citizens and addressing any concerns they may have. He is also deeply involved in recruitment for new employees for the Department. Officer West ALWAYS has a can do attitude and always volunteers without hesitation to assist with community events, where he not only keeps the people safe, but serves as a liaison between the Department and the residents of our community.

Memorandum

To: Mayor and Council

From: Rachelle Moody, Interim City Manager

Carroll Williamson, Planning and Development Director

Date: May 29, 2018

Subject: First Reading of an Ordinance to re-zone 1328 Poplar Street

(TMS# 005765-03-002 and 005765-03-001) from C-1 (Office and Institutional Commercial District) to RG-2 (General Residential

District, High Rise).

ISSUE

Council approval is needed for the First Reading of an Ordinance to re-zone 1328 Poplar Street (TMS# 005765-03-002 and 005765-03-001) from C-1 (Office and Institutional Commercial District) to RG-2 (General Residential District, High Rise).

BACKGROUND/DISCUSSION

The applicant wishes to rezone the properties listed above from C-1 (Office and Institutional Commercial District) to RG-2 (General Residential District, High Rise). The C-1 zoning classification is intended to accommodate office and institutional uses, but does not allow any residential uses. Currently, a house that has been vacant for over six months is located on the property. Because the residence has been vacant for this long, it can no longer be used as a residence without rezoning to a residential zoning district. Properties to the west of this property are currently zoned RG-2. The RG-2 zoning district allows for the greatest amount of flexibility of size and use of the City's residential zoning districts, including multi-family uses.

The rezoning request is for two properties that together are approximately 0.2 acres in size. The subject properties are contiguous to RG-2 and C-1 zoned properties. Railroad right-of-way is located to the north and east of this property. Properties to the west are zoned RG-2 and properties to the south across Poplar Street are zoned C-1. All of these properties are currently undeveloped.

The requested re-zoning is in compliance with the Zoning Ordinance and the Future Land Use Map.

The Planning Commission considered the request for re-zoning at the meeting on May 21, 2018. The rezoning request was opened to the public.

The Planning Commission voted on the requested re-zoning, to the RG-2 zoning designation, at the special called meeting on May 21, 2018.

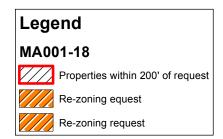

RECOMMENDATION

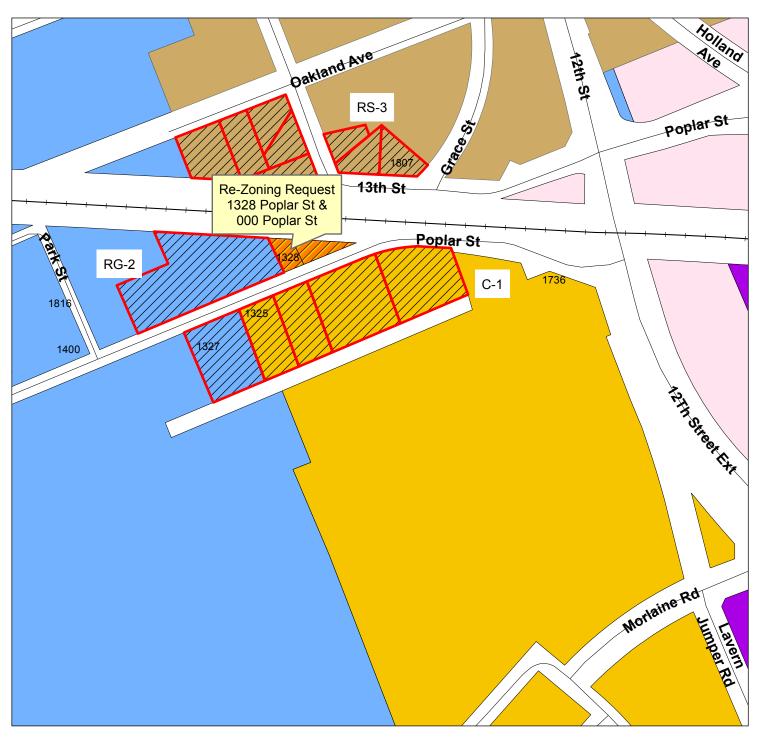

The Planning Commission recommends Council approve First Reading of an Ordinance to re-zone 1328 Poplar Street (TMS# 005765-03-002 and 005765-03-001) from C-1(Office and Institutional) to RG-2 (General Residential District, High Rise).

Memorandum

To: Mayor and Council

From: Rachelle Moody, Interim City Manager

Date: May 31, 2018

Subject: First Reading of the FY2018-2019 General Fund and Utility Fund

Budgets

General Fund Budget

The General Fund Budget is balanced at \$13,554,433 and includes:

- \$373,000 in Grant Income
- \$267,300 from Lexington School District Two for SRO cost sharing at 75%
- \$1,800,000 transfer from Utility Fund for Indirect Costs
- \$839,073 transfer from Hospitality Tax Fund
- \$95,927 from an increase of 2 mils in property taxes, per the allowed amount within the look back. One mil is valued at \$52,134. Anticipated revenue is calculated at 92% collection rate per historical collection records. Our current millage is 47.69 mils and this increase would bring it to 49.69 mills. A 2 mil increase would cost the average \$100,000 home an additional \$8 per year.
- \$82,728 additional revenue due to \$1.50/month increase to residential sanitation fee, for a total of \$744,728 total sanitation fee revenue
- \$438,462 in capital expenditures. This includes vehicles and equipment for public safety, replacement servers for the City, an easy dump truck and digital waste management website/app for Sanitation.
- A 2% COLA for all full time employees
- Six new positions, including:
 - o 3 Fire Fighters
 - o 1 Public Safety Officer
 - 2 School Resource Officers

Revenues in the General Fund have remained fairly stagnant over the past year, except for increases in the Hospitality Tax revenue. In balancing this budget staff has worked to purchase one-time capital purchases and keep recurring costs low because of the future budget projections.

Utility Fund Budget

The Utility Fund Budget is balanced at \$15,381,815 and includes:

- A 1.5% rate increase as required by the terms of the SRF Loan
- \$930,848 in capital expenditures, including:
 - A new generator and transfer switch for the raw water intake facility (75% reimbursed by FEMA grant)
 - o A mini excavator
 - o Three vehicle replacements
- One new position: Administrative Assistant for Septage and Grease
- \$438,750 in Grant Income
- 15% debt coverage for the City's utility fund debt
- \$1,800,000 transfer to General Fund for Indirect Costs
- A 2% COLA for all full time employees

Recommendation

Staff recommends approval of First Reading of the FY2018-2019 General Fund and Utility Fund Budgets.

Subject: Discussion and Approval of Bid Award for an Aerial Lift for Parks

Department

ISSUE

The Parks Department seeks approval for bid to purchase a new Compact Aerial Lift, as included in the FY 2017-2018 budget.

DISCUSSION

The FY 2017-2018 budget included an appropriation for a capital purchase of a new Compact Aerial Lift for the Parks Department to primarily use in the Riverwalk Park and Timmerman Trail. This lift can also be used throughout the City for other needs.

A Request for Bids was prepared along with specifications and sent to various equipment dealers who sell this type of equipment. Sealed bids were received and publicly opened on May 16, 2018. The Garage and Parks staff reviewed the bids and compared them to the specifications set forth. The following companies supplied the following quotes for the lift:

| Company | Quote |
|---------------------------------|-----------------|
| Carolina Construction Equipment | \$101,341.20 |
| Teupen North America, Inc. | \$114,682.60 |
| Blanchard Compact Equipment | No bid received |

RECOMMENDATION

Staff recommends that the bid be awarded to the low bid provided by Carolina Construction Equipment at \$101,341.20 for a 60 HD Arbor Compact Aerial Lift.

Subject: Memorandum of Understanding and Agreement between the City

of Cayce and the Town of Springdale for Building Official Services

ISSUE

Council approval is needed for the renewal of the Memorandum of Understanding (MOU) and Agreement for the City of Cayce to provide commercial and residential building plan reviews and inspections to the Town of Springdale at the rate of \$1,000 per month until January 1, 2020.

BACKGROUND/DISCUSSION

On December 18, 2014, Cayce City Council and Springdale City Council signed a Memorandum of Understanding and Agreement for Cayce's Building Official to provide plan review and inspection services for \$1,000 per month starting on January 1, 2015 and ending on January 1, 2016. Since January 1, 2015, Steve Martin, Cayce's Building Official has faithfully provided these services and kept detailed records of the work he conducted in Springdale. Staff was unaware that the contract had not been renewed past January 1, 2016, so Mr. Martin continued his work for Springdale.

In order for this Agreement to go into effect, Springdale Town Council must also approve it. It will be on their agenda at their next meeting on June 5, 2018.

RECOMMENDATION

Staff recommends approval of the Memorandum of Understanding and Agreement between the City of Cayce and the Town of Springdale for Building Official Services.

- B. The American Heritage festival is scheduled for October 13, 2018. We will expect vendors (food and crafts), static and live displays. Commissioner Hutson is arranging for reenactors to be on hand. Mendy Corder was asked if vendor would be required to have a permit/license for the one day event. She stated that she would check, but as the vendors for the City's Soiree of State were not required to, it would be doubtful if it would be required for another City sponsored event. Commissioner Redmond stated that the total cost for the festival should be less than \$4,000.00 and that funding would be easily recouped by the savings from Kelly's salary.
- C. Jerry stated that he is actively seeking an answer on the hiring of an assistant. He met with Rachel Moody and Lynn Dooley and they were unable to clarify when they would fill the vacancy or when he will be made permanent as the Museum Director. He also stated that he has provided updated titles and position descriptions for the current museum vacancies.

- D. The fencing around the Author Plantation cemetery will be installed by the brewery.
- Mendy Corder, Municipal Clerk
- A. Mendy stated that the revised duties for the vacancies and funding required will be included on the new budget request, due May 16. She also confirmed that there was only one month remaining on Jerry's probation period as acting director. Jerry asked him if he was going to be retained and she said that she did not know that information.
- B. The City has arranged a tour of the Granby Cemetery with Martin Marietta for May 29, 2018. Martin Marietta is to provide hardhats for guests. Golf cars for physically impaired would be provided. Commissioner Gaskins stated that he would contact Mr. Herman Durr, a field representative with the "Find-A-Grave", who is very interested in visiting and documenting the gravesites.
- C. Mandy said that the City of Cayce garage sale would be cancelled due to lack of participants.
- General Discussion
- Commissioner Hutson asked what will be the theme for Christmas Traditions this year. Commissioner Gaskins made mention that it might be good to have a theme for the Korean War as we are losing those veterans quickly. With some discussion Commissioner Brooks stated that it might be a better fit with the American Heritage festival and all agreed. The theme for Christmas Traditions was passed to Commissioner Sharpe for formulation.

Commissioner Brooks made a movement to dismiss the meeting and Commissioner Gaskins seconded movement.

The meeting was dismissed at 4:45.
