

## **Call Summary**

CAYCE, SC — The Cayce Beautification Foundation (a 501c3) in partnership with the City of Cayce is issuing a Call for Artists for an upcoming Riverwalk improvement project. We would like to commission the following:

- Mural

Responding artists do not have to respond to each and every aspect of this Call.

### **Background**

The Beautification Foundation in partnership with the City is in the process of developing a mural on the Cayce Riverwalk underneath the Blossom Street Bridge, to build upon the momentum of our “previtalization” success and nurture the City’s vibrant arts community. This Call builds upon existing investment in arts and revitalization in this area.

The Cayce Beautification Foundation is planning to host a farm-to-table style dinner at the historic Guignard Brick Kilns in Cayce in October to raise money for the Foundation as well as the Blossom Street Bridge mural.

Public art is essential to the vision for the Cayce River Arts District along with the Riverwalk. Thus, the Beautification Foundation is commissioning artists to design and create a mural that will be visible to the public as they walk along the Cayce Riverwalk.

This Call for Artists is being supported by the Cayce Beautification Foundation and the City of Cayce.

### **Mural Project Description**

We believe that art can be transformative and the impact of murals has value beyond the art on the walls. It is a form of expression that gives voice to what is important in our community. The aim of this project is to bring art to public spaces by transforming empty walls into energetic and engaging spaces for the community to participate with and/or enjoy.

The exact size of the mural/s will be determined in collaboration with City staff, members of the Beautification Foundation and the artist. The Cayce Beautification Foundation at any point can decide to not proceed with the mural and at all times has final approval of the design of the mural/s. The following site has been chosen to receive the mural; however, the locations are subject to change.

1. Blossom Street Bridge (photo attached below)

We would like to see different aspects of the City incorporated into the mural’s design. This includes but is not limited to the Guignard family Brick Works, the Cayce Beautification Foundation branding, potential sponsor recognition and anything that complements our existing Riverwalk and Arts District.

The overall budget for the mural is \$10,000. This amount includes all costs related to the artists’ design and project management fees, subcontract and consultant costs, overhead costs, fabrication and installation of the art mural, liability and insurance costs as required, and all other costs associated with the mural project.
